

Chattanooga Rescue Mission

BRINGING HOPE TO THE HOMELESS

August, 2009

Dear Supporting Friends:

Sunday, July 27, we had a graduation ceremony honoring four people who are in our Christian Life Program. Three women and one man gave testimony to God's grace as they spoke of the change that God brought about in their lives. One of the ladies will be starting college at Chattanooga State and we will be assisting the others in locating jobs and housing.

With much joy, we are happy to announce that we have officially begun the renovation stage of our building project! Lord willing, we will be in our new facility this fall! If anyone has an interest in helping us during the remodeling or the time of our move, please feel free to give us a call. Thank you again for your help and prayers during this transitional time.

Our newsletter is now online. If you are interested in viewing it in pdf, you may visit us at: www.chattanoogarescuemission.org and click on "Newsletter". Should you desire to have it emailed to you, please notify our office manager, Dianne. Her email is: dianne@chattanoogarescuemission.org

In the month of July we filled 1,821 beds and served 3,020 meals. It never ceases to amaze me how God so wondrously supplies our every need. Jehovah-jireh (God will provide) is His name!

Again, I marvel at the goodness of our Lord! From the bottom of our hearts we say, "Thank you!" for being there to pray and give of yourself and wealth to assist in God's work at the Chattanooga Rescue Mission. May God continue to bless each of you. If you would like to see the work here, please consider coming by to visit. We would be delighted to give you a tour.

In His Service,

Donald E. Baer II
Director of Administration
